NOTICE OF AVAILABILITY OF THE RIGGS ROAD AND SOUTH DAKOTA AVENUE AREA DEVELOPMENT DRAFT PLAN FOR PUBLIC COMMENT

ACTION: Notice of Availability of the Riggs Road and South Dakota Avenue Area Development Draft Plan for Public Comment.

SUMMARY: In early 2005, the Lamond/Riggs Civic Association requested the DC Office of Planning (DCOP) develop a small area plan for the area surrounding the South Dakota Avenue and Riggs Road intersection. Located in both Wards 4 and 5, the half mile area surrounding this intersection is currently undergoing significant transformation. The character of the area has historically been primarily residential, anchored by the Fort Totten Metro and supported by small scale commercial and retail shops at the intersection. However, due to the neighborhoods quality housing stock and schools, and anchored by the Fort Totten Metro, the area has become ripe for commercial and residential development.

The DCOP recognizes the importance of new development and enhancements to the economic, physical, and social landscape around the intersection and is using this planning initiative to create a vision for overall growth in the area, ensuring consistency between past, ongoing, and future plans and projects.

The primary purpose of the Riggs Road and South Dakota Avenue Area Development Draft Plan is to provide clear policy direction for land use and development within the area. The Plan's vision builds on this contextual framework and establishes the following guiding principles:

- Establish a dynamic neighborhood center at Riggs Road and South Dakota Avenue that enhances community character and reactivates the street
- Attract development that serves all generations;
- Connect, activate, and create new open spaces;
- Promote safe access and circulation throughout the neighborhood

The Plan identified six opportunity sites for redevelopment in the primary study area. These sites were chosen based on a combination of factors, including a detailed market analysis and current neighborhood conditions. Each opportunity site was evaluated independently and in concurrence with the remainder of the study area to identify appropriate potential uses for redevelopment.

Ultimately, the Draft Master Plan requires review, consideration and, as appropriate, adoption by the District of Columbia City Council. If adopted, the Plan would require action by a number of DC agencies, as well as the non-governmental and private sectors.

The DCOP has published for public review and comment the Riggs Road and South Dakota Avenue Area Development Draft Plan. DCOP emphasizes that the findings, conclusions and development scenarios in the Draft Small Area Plan are preliminary. The DC Office of Planning is providing a 30-day public comment period on the Plan. Comments must be postmarked by the close of the comment period, which is Thursday, November 13, 2008. Information on how to submit comments is set forth below.

The DCOP, working in collaboration with its partner agencies, will consider all public comments on the Draft Plan and make its final recommendations on the project to the Mayor of the District of Columbia. Subsequently, the Mayor will submit to the District of Columbia City Council for consideration a Revised Draft Plan. The Council will provide additional opportunities for public comment, and will review and fully evaluate the Revised Draft Plan. The Mayor, through the cooperating agencies will implement the plan.

FOR FURTHER INFORMATION CONTACT: Malaika Abernathy, Neighborhood Planning Coordinator-Ward 4 or Deborah Crain, Neighborhood Planning Coordinator-Ward 5, DC Office of Planning, by mail at 801 North Capitol Street, N.E., Suite 4000, Washington, DC 20002; by telephone at (202) 442-7617 or (202) 442-7615; fax at (202) 442-7638; or email at malaika.abernathy@dc.gov or deborah.crain@dc.gov.
